

Our Guest of Honor, Garrett Bradley!

Our Ninth Annual Golf Tournament/Dinner/Auction was held on Friday, October 7th at South Shore Country Club in Hingham. Thank you to all of our sponsors and donors! The weather was great! We truly appreciate our golfers and those who joined us for dinner. We were able to raise a net profit of \$30,500 for our programs and for the people we serve.

This year we honored State Representative Garrett Bradley as our special guest. This past summer Rep. Bradley retired as our representative in the Massachusetts

House of Representatives for the 3rd Plymouth District. He had been serving his constituents since 2001.

Over the years, Representative Bradley was a strong supporter of individuals who have disabilities. He sponsored and co-sponsored legislation that benefited the people we support. These include House Number 74, which established a pilot program for adults with Asperger's syndrome and autism; House Number 969, which helped to clarify the definition of autism in the children's autism Medicaid waiver; House Number 318, which improved augmentative and alternative communication opportunities for children with learning disabilities; and House Number 3753, which allows individuals to establish Able Accounts for savings.

Representative Bradley has taken the time to listen to our constituents and their families. He understands their unique needs and the challenges they face. We thank him for his service to people of all abilities.

The *Jeanne Hamilton Employee of the Year Award* is presented each year in Jeanne's memory. This award is for an employee who exemplifies Jeanne's spirit. It is for that employee who goes that extra mile and makes the lives of those we support so much better. *Stacy Farr* of our Home Support Program was this year's recipient for her outstanding advocacy and dedication.

The *Maureen Richard Volunteer of the Year Award* was presented to *Joan Miller* for her kindness, her positive attitude and her generous spirit.
